Looking after your wealth in Grand Cayman

Blacktower specialises in offering bespoke and independent wealth management advice for local and international clients. We know how crucial it is to understand a client's individual needs and circumstances so that we can advise them of the best ways to achieve their financial goals.

Our advisers take time to analyse the current economic situation in relation to client finances, involving the client as much as they require when making plans for their wealth. It is always our mission to build strong relationships with clients so we can find the most effective ways to reach investment goals. Our clients trust us to look after their needs.

A Blacktower financial adviser always takes a tailored approach to your finances, allowing you to find the perfect fit and helping you to feel prepared for whatever the future holds.

Effective wealth management in Grand Cayman

Grand Cayman is seen as one of the world's most beneficial financial jurisdictions. There are many advantages that come with being a resident here or having a business based in the sunny climes. If you are living in the Cayman Islands, it could pay to explore the options open to you?

Blacktower first opened its doors in Grand Cayman in 2014. Since then, our financial specialists have helped clients manage their wealth and assets effectively, and with a forward-thinking outlook.

Investment solutions from experts

The Blacktower team is equipped with over 30 years' experience, holds a licence with the Cayman Islands Monetary Authority (CIMA), and has served in a consulting capacity to many different types of clients, including individuals, companies, and charities.

We work with:

- Trustees
- Insolvency practitioners
- Private Banks

- Family offices
- Retail clients
- Corporate Service providers
- Accountancy firms
- Law practices

And with a variety of clients comes a variety of needs. Blacktower offers tailored services to match individual requirements – there's no one-size-fits-all mentality here. So, whether you need active management of equity and bond portfolios or advice on asset allocation, alternative investment plans or custodial services, then we can help.

We regularly provide expert advice on:

- Lump sum investments
- Monthly savings plans
- QROPS/QNUPS/SIPP services
- Annuities
- Discretionary Portfolio Management
- Self-directed trading accounts
- Liquidation of illiquid funds

One thing's for sure: our Grand Cayman office offers flexible wealth management options, and our advisers will help you make individual wealth plans with confidence.

Put your trust in Blacktower today

We understand that the world of finance can be complex even to those who are financially aware. That's why we'll do everything we can to simplify the complicated. We know that good communication is key to success when working with clients, so we'll always ensure you understand the structures in place and any investments involved.

To find out more about the services we offer, why not drop in to our Grand Cayman offices or give us a call today.
